"Mrs. Hezlett,—Ladies and Gentlemen,

I am most happy to stand here this evening on
 behalf of our Lushai community to welcome our respected
 Superintendent's wife, Mrs. Hezlett, on her safe return to Lu-
 shai. We are very thankful to God because He has in his
 Providence brought her back safely across the Seas at this
 very anxious and dangerous time. Our beloved Pi, Mrs. Hez-
 lett, has always shown a very kindly interest in us Lushais
 and especially in our women and girls and we are very grate-
 ful to her. We would also like to take advantage of this occa-
 sion to express our appreciation of the labours of our respec-
 ted Superintendent in improving and up-lifting our country and
 especially by introducing Terrace Cultivation, by bringing about
 the introduction of Technical Education and by the encourage-
 ment of industries which will be of great benefit to us in

years to come. He has also travelled indefatigably through the length and breadth of the land, visiting very many of our Villages and becoming intimately acquainted with our people and customs in order that he might better be able to help the country. We cannot enumerate all the good things he is doing, but I hope he will believe that we are very grateful to him and that we highly appreciate his work. And in his work Mrs. Hezlett has been one of his best assistants, we feel greatly obliged to Mr. and Mrs. Hezlett for coming to our midst this evening, and joining us in our humble Entertainment. We wish Mr. and Mrs. Hezlett much prosperity and a long period of service in Lushai.

I should also like to add a word of sincere thanks to the other Ladies and Gentlemen who have honoured us with their presence to-day."
